The wonderful green world where these beautiful Healers live,
nature and its sacred Amazonian spirits are truly their main source of healing energy,
the same one that they respectfully use to perform impressive healings and revitalization ceremonies

Mama Rocio and Mama Lidia are Maestras healers from the Amazonian "Shipibo" nation.
They are making this journey with the mission to help our PachaMama and her
children enter into better balance

Nov Tue 19th & Wed 20th

Private Healing Sessions

The entire world has been experiencing an unusual energetic imbalance which has created large gaps in our life energy, enveloping us in terrible, deadly diseases

Well, this is the sacred moment when we have the incredible opportunity to balance our feminine and masculine energies and enter into a sacred era of healing and spiritual growth

Many of our illnesses originate from the time we spent in our mother's belly

Mama Rocio & Mama Lidia will help people find healing for any traumas, sorrows and illnesses that come from the time in the womb, or even before

*They will interact directly with the problems of participants, and be able to do a deep healing using energies from nature, the Amazon Rainforest as well as with the cosmos

*Invoking their Ikaros (sacred songs) as a way to get connected with the healing energies from the Amazon... from their healing trees, plants, flowers as well as the sacred animals and birds. All of them part of her healing spiritual guides...

*Using also other natural elements, such as the Sacred Tobacco-Mapacho, natural plants
-seeds-flowers brought from their Amazon Medicine Garden

*An opportunity to realign spiritually, improving harmony with the life energy and thus with the higher energies of the Cosmos

***Participants will be able to choose the individual session either with Mama Rocio or Mama Lidia

Sessions: 45 minutes per person

- available from: 08:00am to 18:00

Price per Session 120 €

Nov Tue 19th

- Public Free Ceremony

"Prayers for the Amazon"

Free night Ceremony from 19:00 to 21:00

*The fire is destroying more and more of our beloved Mother Jungle Amazon
Illegal mining - illegal loggers - destructive agriculture and now
more intentionally created fire...*

this is a great opportunity to do prayers for the Amazon together!!!

*A vitally necessary ceremony!!! A night full of prayers of forgiveness, love, hope and healing
for our beloved Mother Amazon Jungle. This is your chance take part and help*

"Honoring the memory of our beloved Mama Selmira"

We invite each participant to bring one small flower or leaf to this ceremony (better from nature-not bought)

Both Maestras will put branches and flowers together in a basket to make an offering and will invite each participant to add their own flowers into the basket, along with their deepest prayers of forgiveness and healing to the Amazon Rainforest

Open public Ceremony - free of payment

Nov Thu 21th

"The Amazon Water Ceremony"

Full Day Seminar - (09:30am to 17:00)

Painted area: Chest (Emotional Level)

The Amazon River is the main source of healing water

Today, Mama Rocio & Mama Lidia will ask permission to the spirits of the Amazon River so that they can use water as a cleansing and invigorating energy. These Amazon healers will first bless the water and then will add some flowers and natural essences to create a very relaxing and healing flower water then will softly bath our bodies as they sing their sacred Ikaros and prayers to help us enter into a deep cleaning process, creating a sacred unification between our physical and spiritual bodies

These lovely Amazon **Mama** healers will also paint some small parts of our chests-emotional area with a natural paint which has been used by the Amazonian natives for thousands of years, to enter in a wonderful state of harmonious spiritual restoration with our own self, nature and with the universe that surrounds us (This is a non-permanent natural paint made out of Amazon fruits- last up to 7 days and erase in a natural way)

Mamas will also teach us group cleansing dances under the guidance of their ceremonial Ikaros which are devoutly sung

It is essential participants bring light clothing easy to open the belly-chest part, bathing suit (women - 2 pieces), good warm socks, a blanket-yoga mat & 5 flowers in different colors

One day Seminar Price: 160 €

Nov Fri 22th

"The Fire Ceremony"

Full Day Seminar – 09:00 to 14:30
Painted area: Solar Plexus (The Spiritual Level)

The spirit of fire means changes, the renewal and improvement of our own personal energy

It also can help us to improve our relationships with our family, friends and specially in our integration with Pachamama

Mama Rocio and Mama Lidia will happily share the teachings about the energy of the sacred Amazon fire, each participant will bring a medium candle in the color they like most as well as 7 flowers in different colors. With all these elements, Mamas will create a sacred circle of candles with paths full of flower petals.

As these Amazon Mamas sing their ancient Ikaros and smoke their Amazon wild tobacco they will spiritually connect with the sweet spirit of the fire in order to ignite the power of the changing fire in the spirit of each participant

A full day ceremonial seminar to help us to increase our spiritual prosperity & create a new thirst for a changing life

These Amazon sisters will also paint mysterious designs on the solar plexus with natural paints. These symbols will start to appear gradually on the skin helping spirit to bring our masculine and feminine energies into balance

-It is essential participants bring light clothing easy to open the belly part, good warm socks, a blanket-yoga mat & 7 flowers in different colors and a candle

***One day Seminar Price: 160 €**

****Water and Fire Seminars Price for 2 days: 300 €**

*****Private Healing Session + 2 days Seminars 390 €**
